

## Park Rental Rules and Guidelines

*The Parks and Recreation Department reserves the right to refuse or revoke this application due to weather/park conditions, staffing levels and/or if these rules and regulations are not complied with.*

### **Renter Responsibilities Associated with Park Rentals:**

Failure to abide by **any** of the following responsibilities will result in fines, loss of park use, loss of damage deposit, and/or rental privileges. No illegal activity will be tolerated at the City of Edgewater parks.

- 1. Hours for pavilion rentals are from 10:00am to 9:00pm.**
- 2. Rental applicants must be 21 years of age or older.**
- 3. Applicants must have signed their permit before the day of their reservation.** The facility shall be used for the purpose stated on the rental request form, and no other use will be permitted. The permit may be revoked by the City of Edgewater for failure to observe the rules and regulations.
- 4. Rental groups are responsible for picking up the Pavilion restroom key prior to their rental.** If renting any of the restrooms at Citizen's Park, a restroom key will be available for pick-up three days prior to the rental. The key needs to be returned within 48 hours of the rental date or the damage deposit will be withheld. Key pick-up and drop-off take place at the Edgewater Civic Center (1800 N Harlan Street.) Key drop-off can be done in business hours or after hours can be placed in the utility drop box outside the Civic Center. Any damage, leaving restrooms unlocked, or loss of the pavilion restroom key will result in automatic loss of deposit.
- 5. Park pavilion and bathrooms must be left in a clean and orderly condition.** All decorations, unwanted food and litter must be put in the trash receptacles. Extra trash bags will be provided with the pavilion restroom key. Rentals are responsible for emptying park trash and replacing the bags in the trash cans. The removed trash needs to be disposed of in the dumpster located on West 22<sup>nd</sup> street. The park is inspected the next day and failure to clean sufficiently, or any leftover decorations will result in loss of damage deposit and possible future denial of rental.
- 6. Applicant is responsible for any damage but not limited to sod, irrigation system, trees, shrubs, restrooms, shelters, etc.**

- 7. Applicant will be responsible for the conduct and control of participants.** All pavilion use will be under the direct supervision of an adult. Noise complaints or misconduct will result in the forfeit of your damage deposit.
- 8. Applicants must bring a copy of their Park Permit on the day of their reservation.** This permit must be made available to City personnel upon request. Failure to provide permit may result in forfeit of damage deposit and removal from park.
- 9. Reservation of pavilion does not include closed public access to the softball field, play area, entire open field, or horseshoe pits.** Applicants must reserve each amenity of the park for use at their event, or the entire park. However, reservation of the Pavilion does include use of the restroom facility and a portion of the grass. The Parks and Recreation Department reserves the right to utilize amenities within the park even with a complete park rental.
- 10. Use of the park does not give renter permission to access the pavilion with a vehicle.** All vehicles must stay out of the park area. Deposit will be forfeited if vehicles are driven into the park.
- 11. Permission to use the Park does not constitute endorsement by the City of Edgewater of any organization or group, or of the beliefs of the organization or group.**
- 12. Activities must not endanger people or property or create dangerous conditions on park property or adjacent areas.**
- 13. Inflatables, tents, nets, or any stakes in the ground must be approved prior to the rental with the Parks and Recreation Department.**
- 14. Alcoholic beverages are only permitted with a park permit. No hard alcohol or glass is permitted in the park.**
- 15. No more than the maximum occupants listed on the permit shall use the facility at any one time.**
- 16. All municipal codes, laws, and regulations shall be followed.**
